- ▶ Value chain is a powerful instrument for regional integration
- ▶ Expanding the economic space thru competitiveness and convergence
- ▶ Embodying the ‘index of experience’ into technical change
- ▶ Stimulus must steadily evolve, not merely be repeating

Connecting the Dots: Expanding the Integration Space

- ▶ Pacific : two track ‘critical path’ -confidence and negotiation
- ▶ Value chains are becoming more regional and less global
- ▶ The new regionalism - bridging the gap between policy and action.
- ▶ Choice between ‘ implementation deficit’ and ‘architectural design’

What are the risks ahead: Is the World sleepwalking into a crisis?

- ▶ Taking back control -political and multilateral institutions
- ▶ Including 'value chain' and 'blue' economy
- ▶ Macro stability - financial buffers, external shocks
- ▶ 'Inertia' in integration system and governance process
- ▶ A strategy for inter-regionalism
- ▶ Integration projects and public goods
- ▶ Convergence and flow of funds
- ▶ A new kind of diplomacy

Smallness and Power – Is Knowledge Diplomacy a tool?

- ▶ Synergy between political and economic logic
- ▶ Smallness and Power
- ▶ Is knowledge diplomacy a tool?
- ▶ Small State foreign policy ‘wobble room’?
- ▶ A moment in scholarship- USP and UWI

Thank You

The background features abstract, overlapping geometric shapes in various shades of blue and teal, primarily concentrated on the right side of the frame. The shapes include triangles and polygons, creating a modern, layered effect. The overall aesthetic is clean and professional.
