Creeping and kowtowing

July 29, 2013

Bainimarama has said that he will not be "creeping and kowtowing to Canberra". We all know that "creeping and kowtowing" are reserved for China, India and Russia. We've seen his grovelling performances, looking for any money he can borrow to hand out as bribes for votes.

After reading through the statements made by former PM Grand Chief Sir Michael. T. Somare on the National, I figured out that he has got the heart for this country. He further stated that, O'Neil has made a unilateral decision without consulting the PNG Parliament or the people and that is so true. Whose interest is O'Neill trying to serve? Does he own this country?

PNG is not not a dumping ground for displaced people. Before O'Neil feed our Country (PNG) to the dogs,we the SHARPIES need to organise a forum and ask the Old Dogs,I mean the Founding Fathers of this Nation to join the Opposition block and get rid of the new Boys in the government. As there is a saying goes,FATHERS KNOWS THE BEST.

Over to you all the SHARPIES. Add your views here.

GOD BLESS PNG
