

NRI seeks consultants for research on SOEs

by Ashlee Betteridge
3 March 2015

The National Research Institute in Papua New Guinea is seeking consultants to support its work looking at state-owned enterprises (SOEs).

The research program on SOEs will examine their history, policy and administrative challenges and other issues that have impacted on their development.

Individual consultants or institutions are invited to bid. More details are [available here](#) [pdf]. Note that the closing date has been extended to March 13.
